

Back in the land of Canaan, the brothers told their father all that had happened to them and that Benjamin must return with them to Egypt.

What did Jacob reply to his sons? Write all the 1's in order. Then return to the top and write all the 2's in order. Do the same for the 3's and 4's.

Joseph's Brothers Go to Egypt

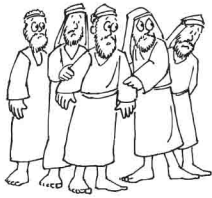

Joseph's 10 older brothers went to buy grain from Egypt. Joseph was the governor of Egypt and sold grain to all its people. His brothers bowed to him. Joseph recognized them, but he pretended to be a stranger. Joseph's brothers did not recognize him.

Find the 11 brothers in the picture below.

Joseph said to his brothers, "You are spies!"
 They answered, "No, my lord! We came to buy food.
 We are honest men, not spies."

Fit the words into the blanks.

son	sons	brothers

"We were 12 _____,
 the _____ of 1 _____, who lives in the
 land of Canaan. The youngest _____ is now with
 our _____, and 1 _____ is no more."

Joseph put them all in prison for 3 days.
 What did he say to them?

"If you are _____ men,
 let 1 of your _____ stay here in
 _____, while the rest of you go and take
 _____ back for your _____
 _____. But you must bring
 your _____ brother to me, so that
 your _____ may be _____
 and that you may not _____."

Joseph used an interpreter so that his brothers
 would not know he understood their language.

Use the hieroglyphs like an interpreter to spell out what
 Joseph heard his brothers saying privately to each other.

The brothers said to one another,

Reuben replied, "Didn't I tell you not to sin against
 the boy? But you wouldn't listen! Now we must be
 held responsible for his blood."

When Joseph heard this, he turned away from his brothers and
 began to weep. Then he turned back and spoke to them again.
 He had Simeon taken from them and bound before their eyes.
