

## God Called Moses Bible Craft

**Bible Story:** God Called Moses

**Bible Text:** Exodus 3:1-17; 4:1-5, 18-20

**Suggested Learning Outcome:** This fun tissue paper roller craft will help children remember that Moses was a special man who was called by God, and we are also called by God.

### Supplies List:

- Bathroom tissue paper roller (1 per student)
- Green construction paper
- Cotton balls (2 per student)
- Small twig (1 per student)
- Markers
- Glue/tape

### Teacher Preparation:

Collect small twigs approximately 1 inch longer than the bathroom tissue roller.

Pre-cut rounded triangular shapes from green construction paper approximately 3 ½ inches long by 6 inches wide (see image). This will wrap around the roller to form Moses' coat. You will need 1 per student.

### Instructions:

**Step 1.** Give each student a roller and green "coat." Guide students in wrapping the coat around the roller and securing it either by gluing or taping it into place (see image).

**Step 2.** Guide children in pulling apart cotton balls to create hair and a beard for Moses. Glue half of cotton to the top of roller and half in the middle. Instruct children to draw Moses a face (see image).

**Step 3.** Give each student a twig and instruct them to glue the twig to Moses' side (see image). This represents his staff which was a useful tool God gave Moses when he called him. Remind children that we were given a useful tool to help us follow God as well. It is the Bible.
